

Christians surround hospitals nationwide to pray for medical staff caring for patients

## Will You Help our Frontline Heroes Feel ENCOURAGED on Easter AND EVERY WEEKEND BEYOND 'TIL THE VIRUS IS DEAD?

---

*We Have a Responsibility and Need to Protect, Appreciate, and Encourage our Heroes!*

---

## Easter is NOT Cancelled!

It's Time to Share H.O.P.E.

**Hold On Pain Ends**

**ALL Faith Communities and Non-Profits Are Invited to Make Easter Encouraging for Front Line!  
PLEASE REPOST ON WEBSITES AND SOCIAL MEDIA TODAY—What Will YOUR Group Do?**

**IT IS TIME THE FAITH COMMUNITY SHOWS UP TO FIGHT IN THIS BATTLE!  
OUR MEDICAL PERSONNEL AND FRONTLINE EMERGENCY WORKERS DESERVE AND MUST  
HAVE MORE PERSONAL PROTECTIVE EQUIPMENT, APPRECIATION, AND ENCOURAGEMENT!  
You are CALLED into Action to HELP MEET the NEEDS and to  
EQUIP our faith communities to join in the battle.  
We are ALL IN this together!**

We can we, the faith community, strategically help meet the needs locally and across our great nation! With God's help, together, we will link arms with our government, businesses, neighbors, families and the faith community. we will deliver appreciation and encouragement to hospitals, nursing homes, police, and fire stations throughout April and May and especially during the 24-Hour Easter H.O.P.E. Celebration. We will support restaurants and bring some employees back to work!

**Please share this call to minister to the Front Line with colleagues and all within your organization. Share with other groups through Facebook, texts, and phone calls.**

---

*We need your help to get this in the hands of the faith-based community, friends, and family immediately.*

---

## JOIN THE 24 HOURS of EASTER H.O.P.E. CELEBRATION with your faith community!

### THE 24 HOURS of EASTER H.O.P.E. CELEBRATION

**From Sundown, April 11 through Sundown Easter Sunday, April 12**

Throughout THE 24-HOUR EASTER H.O.P.E. CELEBRATION, faith leaders are asked to LIVE STREAM or show a recorded message of HOPE AND TO PRAY from a nearby hospital, medical facility, nursing home, police, fire station OR to do so from their own facility.

**NOTE: ALL MUST STRICTLY ADHERE TO THE SAFETY STANDARDS.**

HOWEVER, congregations and small groups not living in same house are NOT permitted to attend UNLESS they remain in their cars and are there to cheer for the medical and emergency workers. All can definitely join together from the safety of home and watch the LIVE STREAM. Faith communities are encouraged to make online contributions to their personal house of worship to help sustain their faith community.

For families, individuals, and faith communities! Put your name or name of group on your signs. Let them hear from YOU! And send ONE photo and the total number who are giving Air Hugs to our Heroes to [SharingHopeCenter.org](http://SharingHopeCenter.org). We will add them up and submit to the Guinness Book of Records?

Families and individuals living in the same house, who have been quarantined together for a minimum of 14 days, are encouraged to line the streets and parking lots of medical facilities on EASTER throughout the 24 hours from sundown on Saturday, April 11 to sundown on Sunday, April 12. They MUST REMAIN AT LEAST SIX FEET FROM OTHERS and are encouraged to remain in their cars, when possible to wave signs, honk and cheer our Heroes as they enter and exit their workplace. Let the know you love them!

All are asked to make signs and banners to attach to their cars, and place on stakes in grass near medical, police, and fire facilities. The SIGNS INCLUDING STAKES AND DECORATIONS can ONLY be made from materials at home right now. DO NOT leave home to purchase any signage materials. They can be put in place as early as Saturday afternoon, but PLEASE pick them up late Sunday night or early Monday morning.

NOTE: ONLY people living in the same house and who have been quarantined together for a minimum of 14 days may participate in the LIVE **24-HOUR EASTER H.O.P.E. CELEBRATION** and MUST remain at least 6 feet from other groups!

For the 24 hours from sundown on April 11 until sundown on April 12, we will line the streets to thank our medical heroes, including those working in nursing homes, and our first responders. Wave signs, yell “THANK YOU”, applaud, and honk horns during shift changes. Be as enthusiastic as you can be!

Be SURE to Contact Local Media Sources to let them Know What YOU are doing as part of The World’s BIGGEST Virtual Hug!  
And take photos and send with the number of people involved to [SharingHopeCenter.org](http://SharingHopeCenter.org)
